Commercial Backpack Vacuums

This lightweight commercial vacuum offers the ultimate in portability, without sacrificing suction power.

Boasting the best suction around for commercial electric backpack vacuums — 110 to 120 inches static lift!

And weighing in at a mere 10.5 pounds, the Xtract-MAX[®] XMBP-1001 offers a patent-pending off-the-back suspension system, with fully adjustable extra-cushioned straps for an incredibly comfortable fit.

With the 4-foot crushproof hose and fingertip controls right at the hip, this vacuum makes cleanup, even in the most difficult-to-reach places, a snap.

***Incredible suction
power and ultra-lightweight
portability!***
